# Welcome To Travelin' Teens

First off, I wanted to thank you for entrusting the KAH Travelin' Teens team with the care of your camper. It is a trust we work hard to keep. We are a tight-knit team of KAH directors and group leaders and we continually undergo training and professional development courses to improve our knowledge and skill sets to best serve your camper!

I understand the huge impact camp can have on kids and teens, and it is from this perspective I will do everything we possibly can to ensure their safety while also having a ton of fun!

We have been planning this Summer since last Summer and we cannot wait for all of the **FANTASTIC** fun we have planned!

Meet  
Minnie!

My name is Minnie Dubernay and I'm the Travelin' Teens Director! I have been working at Kids After Hours since 2011 and I have loved every second of it! I especially love summers with my Travelin' Teens. I'm always excited to teach, learn, and spread the FUN! If you have any questions at all, I am always happy to chat about camp!

[Minnie@kidsafterhours.com](mailto:Minnie@kidsafterhours.com)

---

# Before Camp To-Do List

## 1. Complete Summer Camp Forms:

These can be found on our website at: <http://www.kidsafterhours.com> And, I know it stinks, but these need to be filled out even if your child is a returning camper or comes to us during the school year... OH! One more thing, you only need to fill out the **Medication Administration Form** and have a doctor sign the Emergency Contact form if your child will need to take medication during the camp day (**this includes emergency medication like epi-pens and inhalers**).

## 2. Look Over Camp Schedules!

Please double check to make sure your child is enrolled for the correct weeks! If you need to make any changes or have any questions, feel free to give us a call!

**PLEASE CANCEL ANY WEEKS YOU NO LONGER NEED**  
**We don't want you to pay for a week you will not use**

## 3. Join Our Camp Orientation!

We would love for you and your child(ren) to join our camp orientation! It's not mandatory, but we would love the chance to meet you all! This is a great opportunity to meet the camp director, counselors, and ask any questions you have before camp begins! Camp Orientation will be **Tuesday, June 16<sup>th</sup> from 6:30- 7:30 PM at Garrett Park ES. RBR Travelin' Teens Orientations are April 11<sup>th</sup>, 25<sup>th</sup> & May 17<sup>th</sup> from 12-3PM.**

## 4. Know The Tuition Info:

We have automatic billing enabled for the summer, so if you are enrolled for autopay, you're all set. If you are not enrolled in automatic billing and would like to pay in full or need to rearrange due dates please let us know! The tuition dates can be seen below:

**Weeks 1,2,3 will be due May 20<sup>th</sup> 2026**

**Weeks 4,5 and 6 will be due June 20<sup>th</sup> 2026**

**Weeks 7, 8, 9 and 10 will be due July 20<sup>th</sup> 2026**

**\*Weeks 9 & 10 for RBR Travelin' Teens only**

## 5. Get Ready For A GREAT Summer!

Check our "What to bring" lists on our website to see what your child will need for camp each day!

# ELECTRONICS POLICY!

Do you remember the butterflies in your stomach on the first day of school or joining a new team? Do you remember when you had to solve those little problems of childhood (where to sit, who to sit with, asking an adult for help)? Or how those jittery feelings at the beginning of the day slowly dissolved as you felt comfortable and learned that YOU could solve your own problems. These are important lessons that our children (grandkids in my case) need to learn as part of growing up. We want kids to tackle these movements head-on, without a digital crutch. Cell phones and electronics get in the way of that important growing process.

Cell phones and electronics hinder these important goals. Not to mention having to police the content kids may be viewing. For these reasons, phones and watches should NOT be brought to camp. Please don't have your child "hide" their phone in their backpack. When we see phones or electronics we will make sure they are kept safe for the day and we will return them to families at pick-up.

**Devices found at camp will be collected by the KAH staff and given back to campers at the end of the day.**

**For campers who have been found using a cell phone (or other electronic devices) multiple times, staff may take further disciplinary action.**

Electronics to keep at home include:

Phones, smartwatches, gaming devices (ex. Nintendo Switch), mobile devices, computers

---

# What To Bring

---

**Trips vary based on week & camp location. Please consult your specific calendar so you know EXACTLY what to bring!**

## **Week 1: June 15 - 19 \*RBR Only**

- **Potomac Play Pass**- closed-toed shoes(no flip flops, sandals, or crocs on ropes course or river), bathing suit, towel, change of clothes, athletic wear, bagged lunch, **WAIVER**

# FAQ'S

## **What is the process for drop off and pick up?**

We will have greeters set out at the front of each location with staff there ready to welcome your camper! We do ask that you check-in/out your camper each day using our electronic system. This is used for security and accountability purposes. Our staff will guide your camper on where they should put their things, and help them get settled into our activities!

## **How are campers supervised on field trips?**

Our staff are always actively engaged with campers during our trips as active participants in all activities. Campers will travel in groups supervised by a staff member. Attendance is taken at each transition of the day. We maintain a counselor-to-camper ratio of 1:10+1, exceeding the state's requirement of 1:15.

## **What method of transportation does KAH use for field trips?**

Travelin' Teens primarily uses school buses for transportation. These are typically the same buses and drivers that MCPS uses! On occasion, we may use 14-passenger vans operated by KAH staff who are over 21 and have completed a driving background check and a vehicle safety training.

# FAQ'S

## How and when is sunscreen applied?

Sunscreen application is done strictly by campers. We will remind our campers to put on sunscreen throughout the day. Our staff are trained on the importance of sun safety, and the risks associated with sunburns and UV rays.

### Sun Safety Tips:

1. Have campers apply sunscreen before they come to camp
2. Send sun protective gear such as long-sleeve rash guards, and hats.
3. Label your sunscreen!
4. Face sticks and spray sunscreens are generally the easiest for campers to apply.

**My child has allergies (or will need to take medication while at camp) what forms do I need?**

## Medication Administration Form

If your child has allergies/asthma/diabetes you will need to complete an **Action Form** as well as the **Medication Administration form**.

Medications should be turned in to the camp director or group leader on your child's first day of camp and they will be returned to you on your child's last day of camp.
